

"Pickering Associates has consistently worked on issues to make sure that money was appropriately spent and charged, ultimately making our jobs easier. It has been a pleasure working with the staff...and I would not hesitate to recommend them."

~Brian Raitz

Director of the Parkersburg & Wood County Public Library

"Pickering Associates has been essential to the Camden Clark Medical Center. Their expert staff not only provide a needed service, but provide any necessary support to make our projects successful."

~Barry Justice

*Director of Engineering at
Camden Clark Medical Center*

"We've been honored to have the trust of our clients and community...I think one of the major keys to our success has been and will continue to be our ambition to please our clients."

~Traci Stotts

*Lead Architect and VP of Marketing
at Pickering Associates*
